

Advertisement for the post of JRF under SERB Project

Applications are invited for one post of JRF at a fixed fellowship of Rs. 31000/- plus HRA (16%) for first two years as per rule in the SERB sponsored Project entitled “Development of an inexpensive high-fidelity technique for the prediction of failure capacity of thin shell structures” sanctioned up to 2 years.

Essential Qualification:

- First class in bachelor’s degree in the engineering discipline concerned or in an allied discipline/area
- GATE/NET qualification is mandatory.

Desirable qualification:

- Master’s degree in the discipline concerned or in an allied discipline/area.
- M. Tech. project in Structural Engineering/Applied Mechanics; proficiency in MATLAB and Python.

Age Limit: 28 Years; Age relaxation applicable as per Government of India (GOI) norms.

Application Procedure: Make a single PDF file (Application on given format with self-attested all relevant mark-sheets & certificates and details of any research, experience certificate, age proof or any other documents) and email to kshitij.civ@iitbhu.ac.in with the subject line “Application for the position of JRF in SERB project” **by 15/09/2023**. No need to send the hard copy. However, candidates need to show the original documents at the time of interview/joining.

Notes:

- Last Date of submitting the application is **15/09/2023**.
- The PI has the discretion to restrict the number of candidates to be called for interview to a reasonable limit by qualifications and experience higher than the minimum prescribed in the advertisement.
- Only short listed candidates will be communicated through email to appear for the interview.
- The post is purely temporary and co-terminus with the project.
- No TA/DA will be paid if called for interview.
- The selected candidate may subsequently register for Ph.D. programme at the Department of Civil Engineering, IIT (BHU), if they fulfil the required criteria.
