

Address for Correspondence

Prof. S.K. Shrivastava

Organizing Secretary
Department of Pharmaceutics
Indian Institute of Technology
Banaras Hindu University
Varanasi-221005
Mobile: +91-9452156527

Email: skshrivastava.phe@iitbhu.ac.in

Chief Patron

Prof. Rajeev Sangal
Director, IIT (BHU)

Patron

Prof. P.K.Jain
Dean (R&D), IIT (BHU)

Organizing Committee

Chairman

Dr. Neeraj Sharma
Convener, DIC and Coordinator, School of Biomedical
Engineering, IIT (BHU).

Organizing Secretary

Prof. Sushant Kumar Shrivastava
Department of Pharmaceutics, IIT (BHU).

Scientific Advisory Committee

Prof. A.K.Jha (Dept. of Mechanical Engineering)
Dr. R.K.Singh (Dept. of Electrical Engineering)
Dr. S.K.Singh (Dept. of Computer Science & Engg.)
Dr. Manish Arora (Faculty of Visual Arts)

Speakers

Prof. Sushant Kumar Shrivastava
Department of Pharmaceutics, IIT (BHU)
Dr. Pritesh Bhat
Sr. Scientist, Schrodinger, Bangalore
Mr. Vinod D
Scientist, Schrodinger, Bangalore
Mr. Raghu R
Vice President, Schrodinger, Bangalore

Workshop On Emerging Trends in Drug Design & Molecular Modeling 19-21 July, 2017

Organized by
Design Innovation Centre
Venue
School of Biomedical Engineering
Indian Institute of Technology
(Banaras Hindu University)
Varanasi-221005

Invitation

The organizing committee takes pleasure in inviting you to participate in workshop emerging trends in drug design and molecular modeling to be held in School of Biomedical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi on 19-21 July, 2017. The workshop will focus on various aspects of drug design and molecular modeling.

Scope and Objective

The workshop will provide an excellent opportunity to scientists, technologists, industrialists, educationalists and researchers to come on a common platform to discuss and exchange ideas on recent developments in the field.

Theme

Emerging trends in drug design and molecular modeling.

Programme

The three days workshop includes lectures and hands-on session on Docking, Pharmacophore modeling and Database searching, Combinatorial library generation and various other aspects of drug design & molecular modeling.

Selection

Seats are limited and selection is based on first cum first serve basis. The registration fee will not be charged, priority will be given to the faculty members, young scientists, teaching assistants and research scholars.

About Varanasi

The city of Varanasi is known as the city of temples and learning, is a place of great historical and cultural importance. This religious capital of India is situated on the banks of river Ganges and is presided over by Lord Shiva. It is the heart of India and an epitome of the synthesis of cultures, religions and races. It has three universities, one Tibetan Institute and an institute of Arabic Studies. The city is reputed for silk fabric, perfumes, artistic brass and copper wares and a variety of handicrafts. It has produced great poets, writer, musicians and scholars. This vibrant city of joy, knowledge and liberation has a magnetic attraction for people all over the world.

About The Department

The School of Biomedical Engineering was established by the UGC during the Fifth Five Year Plan in the year 1978. Banaras Hindu University is fortunate in having both the Indian Institute of Technology and Institute of Medical Sciences in the same campus. Our current priority areas of specialization are (i) Bioinstrumentation (ii) Tissue Engineering and Bio microfluidics. We are accordingly, running a doctoral programme under which about 8-10 research scholars would obtain their Ph.D. degree, every year, in these thrust areas.

Design Innovation Centre is a Centre of Excellence of IIT (BHU), Varanasi funded by MHRD, Govt. of India. The centre was established on March 05, 2015 under MHRD, New Delhi to undertake world-class research that integrates the scientific technology.

Registration Form

Workshop on Emerging Trends in Drug Design & Molecular Modeling

19-21 July, 2017

School of Biomedical Engineering, Indian Institute of Technology
(Banaras Hindu University), Varanasi-221005.

1. Name: _____

2. Age: _____ Sex: _____

3. Present occupation: _____

4. Address for correspondence:

Tel. No.: _____ Mobile No. : _____

Email: _____

Fax: _____

5. Details of accompanying person (if any):

Name	Age	Sex
(i) _____	_____	_____

6. Accommodation required: Yes/No If yes, please Tick and give details.

Hotels (Rs.2000.00 to Rs. 5000.00 per day)

Accommodation _____

Amount (in Rs.) _____

Cash/Cheque/Draft No. _____

Name and address _____

Signature

(Xerox of this form can be used)
