

School of Materials Science and Technology, IIT(BHU) in association with  
Indian National Young Academy of Science (INyas)

&

IEEE U.P. Section Industry Applications Society (IAS) Chapter, IIT(BHU)

## Using Quantum Sensing to Magnetically Study Structure and Reactions on the Single-Molecule Level

**Special Guest Speaker:**

**Dr. Amit Finkler**

Laboratory for Quantum-Enhanced  
Sensing Technique  
Weizmann Institute of Science  
Rehovot, Israel

**Keywords**

Quantum Technology  
Quantum Computing  
Quantum Sensing

Wednesday, 27.10.2021  
12:30 PM - 1:30 PM IST
