### Advertisement for the post of Project Assistant (two)

Applications are invited for two (2) post of Project Assistant to work in UPPWD sponsored consultancy project related to Road Safety Audit and Black Spot Inspection of roads under UPPWD. The project will involve extensive travelling and data collection related to road safety features.

**Duration:** The appointment will be for 6 months and extendable to another 6 months subject to satisfactory performance (12 months maximum). The post is purely temporary and co-terminus with project.

**Salary:** Rs 35,000/- per month (consolidated).

**Essential Qualification:** The applicant must be a B.Tech. and M. Tech. in Civil Engineering.

**Desirable qualification:** M.Tech. in Transportation Engineering (preferably from the Institute of National Importance) and experience in road safety audit. Preference will be given for those applicants with SCI-indexed publications in the area of traffic engineering. Applications from female candidates are strongly encouraged.

**Age Limit:** 28 Years as on date of advertisement. The upper age limit is 33 Years for SC/ST/Physically Handicapped/Female candidates.

The scanned documents of the applicant can be submitted using the Google forms link below - <https://forms.gle/71ff85Ge3bmdReNm8>. The applications should be submitted within **21 days** of advertisement date.

**Note: The interview will be conducted online.**
