Bidders are required to submit the scan copy of payment receipt details of Tender fees payment and Bid Securing Declaration Form as EMD at the time of Bid Preparation.
4. This Tender Document contains the following:
 - A. Instructions for Online Bid Submission
 - B. Instruction to Bidders
 - C. General conditions of contract (GCC)
 - D. Special Condition of Contracts
 - E. Check-list for Bid/Tender submission
 - F. Declaration Certificate
 - G. Technical specifications for the complete project (Annexure 1)
 - H. Compliance Sheet

SECTION 1: INSTRUCTION FOR ONLINE BID SUBMISSION

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal ([URL:http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: <http://eprocure.gov.in/eprocure/app>.

1. Registration

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal ([URL:http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)) by clicking on the link “Click here to Enroll”. Enrolment on the CPP Portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and

the password of the DSC / e-token.

2. Searching for Tender Documents

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective “My Tenders” folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

3. Preparation of Bids

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

4. Submission of Bids

1. Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Bidder has to select the payment option as “on-line” to pay the tender fee / EMD as applicable and enter details of the instrument. Whenever, EMD / Tender fees is sought, bidders need to pay the tender processing fee on-line through RTGS.
4. A standard BoQ format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
5. The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
6. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized

persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done.

7. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
8. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
9. Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

5. Assistance to Bidders

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

6. General Instructions to the Bidders

1. The tenders will be received online through portal <http://eprocure.gov.in/eprocure/app>. In the Technical Bids, the bidders are required to upload all the documents in **.pdf format**.
2. Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/e- token in the company's name is a prerequisite for registration and participating in the bid submission activities through <https://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site <https://eprocure.gov.in/eprocure/app> under the link "Information about DSC".
3. Tenderer are advised to follow the instructions provided in the Instructions to the Tenderer for the e-submission of the bids online through the Central Public Procurement Portal for e Procurement at <https://eprocure.gov.in/eprocure/app>.
4. Provision of labour and implements: This contract includes all labour, material, tools, implements and every other things necessary for carrying out and completing the works in conformity with the plans and specifications (herewith attached), descriptions and instructions as may from time to time be furnished while the work is in progress.
5. Detailed drawings and instructions: The Chief General Manager / General Manager or his authorized representative shall furnish with, reasonable promptness additional instructions, necessary for the proper execution of the work. The work shall be executed in conformity therewith and the bidder shall not do work without proper drawings or instructions in writing.
6. If the tenderer has any doubt as to the meaning of any portion of the terms and conditions of contract or the specifications, he shall submit particulars to the company in writing before submitting this tender within the stipulated time for getting necessary clarifications.
7. Before quoting their overall uniform percentage or rate, they shall enquire and inspect the site of the proposed work, study the physical conditions prevailing at the site, sufficiency and means of transporting all materials, labour, water and any other matters or things required in connection with the work. Tenderers are also expected to have previous experience of similar works executed.

SECTION 2: INSTRUCTIONS TO BIDDERS

A. Introduction

- 1. Location of Work:** Khadia Project Coal mines OB Dumps, District- Sonbhadra, Uttar Pradesh. Refer Fig.1 Mine plan showing the area of experimental plantation.

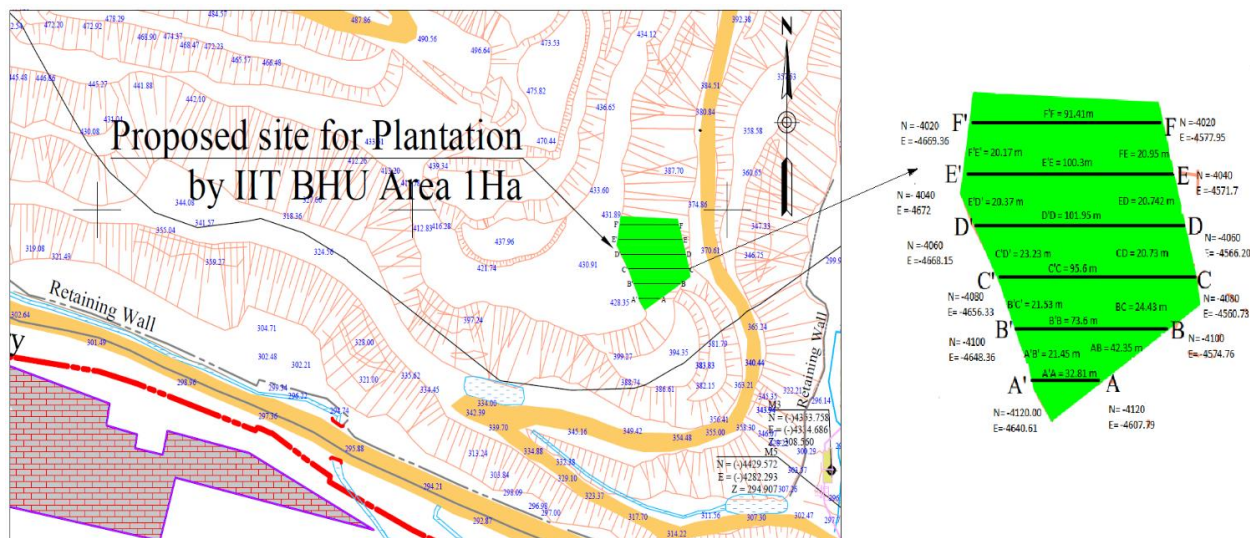

Fig. 1 Mine Plan showing the area of experimental plantation

2. Scope of Work:

IIT (BHU), Varanasi invites online bids from the bidders on behalf of The Director, IIT (BHU), Varanasi for Raising and Maintenance of experimental plantation over selected OB dump slope area of 1 Ha (10,000 Sq. meter) divided in five different groups of width ranging from 13- 16m each. The height of OB dump slope in the experimental area varies from 20m to 60m. Plantation is to be done along the slope, toe, crest and the top surface of the benches in Khadia Project, NCL during the year 2022-23 following the specifications given in Annexure-1 and as per terms & conditions of this tender document. The bidder should ensure successful plantation and maintenance over the dump slope.

The work involves

- Site preparation and Sub-benching of the OB dump slope

The plantation is to be done after mulching and sub-benching. Mulching is to be done using locally available paddy stock. The height and width of each sub-bench at the dump slope would be 1m and 1.5 m respectively while the bench slope angle will be 35 degrees.

- The sub-benching will be followed by application of coco-peat, cow-dung, vermi-compost, jeewamrit and rice husk, to facilitate increased root perforation and supporting the growth of plantation in the dump soil. Locally available top soil in the mine can be used to meet the requirement, if needed.
- Plantation over OB Dump material will be done after adding suitable bio-fertilizer, DAP, Phorate or Themate insecticides to enrich and protect the vital nutrients for plant growth.
- 2500 plant saplings shall be planted in the five demarcated patches (P to T) as shown in Fig.2 by digging pits at a spacing of 2 meter ×2 meter using the group of plant species mentioned in Table 1. The plantation in the outer patches X and Y will be done using munj grass and Rambans. In addition, requisite number of Vetiver and Munj grasses will also be planted @ 4 trillers per sq. feet in between these plant saplings.
- Miyawaki plantation strategy will be adopted for the plantation on OB dump slope. Six months to twelve months plant saplings shall be used for plantation works.

Table 1: Selected plant species to be planted at the dump site

Prominent Species	Position on Dump Slope	Patch Name
Leucaena leucocephala (Safed Babool) & Vetiver	Along slope & crest	P
Peltophorum (Gulmohar) & Munj grass	Along slope (red), crest and also along the boundaries (yellow)	Q
Cassia Siamea (Kasod) & Vetiver,	Along slope and crest	R
Dalbergia Sisso (sheesham) & Dillenia suffruticosa (Karmal)	Along toe	P,Q
Karanj, & Vetiver grass	Along slope & crest	S
Acacia Mangium & Dillenia suffruticosa (Karmal)	Along slope, & crest	T
Sal, & Dillenia suffruticosa (Karmal)	Along toe	R,S,T, X & Y
Rambas & Munj grass	In the patches X & Y along slope	

Fig. 2 Plan showing the designated area for plantation

- The saplings brought from nursery will be planted carefully by removing the polythene and cutting the coiled roots, if any, in order to allow fresh roots to come up.
- The supply of all fertilizers and saplings, their transportation & safe storage at the designated location within the mine will be under the bidders' scope of work.
- Any casualty of saplings during transportation, loading & unloading, during & after plantation shall be replaced by the bidder at his/her own cost. After plantation, the soil around the plant should be thrashed firmly, and adequate support be provided to the saplings using appropriate plant stakes.

- Proper maintenance of the plantation is to be ensured for a period of one year. The bidder will ensure timely installation, commissioning & operation of gravity based drip irrigation system for providing irrigation and nutritional support to all the plants to make sure their survival is not less than 90% of the total plantation at the time of handover to IIT (BHU), Varanasi after completion of one year period of maintenance.
- The bidder should ensure need based nutritional support of the plant during this period. Soil testing will be carried out on monthly basis by the bidder to assess the nutritional requirement of the plants.
- The bidder shall water and provide fertilizers to the planted saplings accordingly on a regular interval for a period of one year to ensure optimal growth of the plants.
- Water Supply for Irrigation system will be facilitated by NCL. After completion of the contract period, the bidder will hand over all the drip irrigation hardware, supporting infrastructure and planted site to the IIT (BHU), Varanasi.
- After one month of OB dump plantation, the bidder shall ensure 90% survival rate of the total plantation and Replacement of plants in case of casualty of plants at the bidders cost as & when required. Surprise random visits will be made throughout the maintenance period to ensure 90% of the survival rate of the total plants.
- The bidder will install a solar powered portable station on the plantation site to measures soil moisture, soil temperature, ambient humidity, ambient temperature etc. on real time basis with the capability of data storage on cloud with support of an IoT platform. The application of gravity drip irrigation system will be synchronized with the real time moisture data for optimum irrigation of the plants.
- Bidder will ensure provision of labour, material, tools, implements and other things necessary for carrying out and completing the works, in conformity with the plans and specifications (as mentioned in Table 1), descriptions and instructions received from time to time through IIT (BHU), Varanasi representative.
- The bidder will work at the experimental plantation site in close co-ordination of the mining authorities and the project team of IIT (BHU), Varanasi for successful accomplishment of the project objectives in a smooth manner.
- If the tenderer has any doubt as to the meaning of any portion of the terms and conditions of contract or the specifications, he/she shall seek explanations from IIT (BHU), Varanasi in writing before submitting this tender within the stipulated time for getting necessary clarifications.
- Cost of Bidding: The Bidder shall bear all costs associated with the preparation and submission of its bid, and "the Purchaser", will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

3. Eligibility Criteria: Only those bidders who have experience in execution of similar works shall be eligible. The bidder will enclose the copies of previous work orders obtained from government departments or public or large private sector mines of the similar nature executed by him/her along with the general Bid as a documentary evidence of the proof of experience. The Conditional tenders will not be accepted.

4. Payment Terms:

- The total payment will be made in four parts, the first installment of 20% will be paid after completion of the plantation work and successful installation of the drip irrigation system. The next 20 % of payment will be made on survival of at least 90% of the total plantation after three months. The next 20% of payment will be made on survival of at least 90% of the total plantation after nine months. The remaining 40% of the payment will be made after submission of final bill and survival of 90% of the plants after completion of the contract period.
- Tools and tackles: No tools and tackles for the work shall be supplied by IIT (BHU), Varanasi. The bidder will arrange for the tools and tackles required for the above work at his own cost.

- Completion period: The plantation job shall be completed within 60 (sixty) days from the date of issue of letter of intent/work order whichever is earlier. The maintenance job should continue for the entire year ensuring the 90% survival of the total plantation.
- Statutory deduction: Deduction of taxes, levies deductible at source shall be made from the gross value of each bill at the rate prescribed in the relevant Acts.
- Security Deposit: The PBG of successful bidder shall be converted into security deposit (interest free) which will be refunded within 60 days from the date of completion of the job subject to satisfactory performance.
- The security deposit shall bear no interest, IIT (BHU) will have absolute authority to adjust security deposit or the retention money (10%) to make up for any damage or any incomplete work left.

5. Miscellaneous Terms & Conditions

Terminal Benefit Deduction:

- a) The bidder will provide all the personal protective equipment required for their workmen as per safety norms of DGMS.
- b) The bidder shall report the occurrence of all accidents to the concerned officials including particulars of his employees involved and effect payment of compensation as per the workmen's Compensation Act as amended from time to time within the prescribed time limit. In case of such accidents the bidder must immediately bring it to the notice of the representative of IIT (BHU), Varanasi or the Mines manager.
- c) In all matters connected with labour and staff under this agreement, the bidder shall be Employer as defined in the various Acts. Rules, Regulations pertaining to the nature of work involved.
- d) NCL shall provide housing accommodation for the bidder's employees engaged in plantation and maintenance work.
- e) The Bidder shall at his own cost arrange for transportation of materials to Work site. The quantity of material should be witnessed by the site In-charge or officer In-charge.
- f) No part of the Contract shall be sublet without written permission of the representative of IIT (BHU), Varanasi.
- g) With regard to the execution of this work, the Bidder will abide by the Direction of the representative of IIT (BHU), Varanasi.
- h) In the event of Bidder's failure to fulfill the Contract terms for execution of work therein, IIT (BHU), Varanasi reserves the right to terminate the Contract by giving 15 days' Notice and to have the contractual obligations carried out by alternative arrangements and consequential loss suffered thereby shall be borne by the Bidder.
- i) The Bidder shall have no claim whatsoever against IIT (BHU), Varanasi, for any loss/damage caused to the Bidder by reason of war, riot, commotion, disturbance, pestilence/ epidemical any change in the nature of deposit, breakdown at plant or machinery for whatever reason, failure/restriction of Electrical or other power. Act of God, Government Order or statutory action or any cause of whatever nature or description beyond the control of IIT (BHU), Varanasi. The Bidder shall resume the work as soon as practicable after such eventuality has ceased to exist of which IIT (BHU), Varanasi shall be sole judge.
- j) If the performance in whole or part of any term/ obligation under the contract is prevented or delayed by any such eventuality for a period exceeding seven days, the contract may be terminated at the discretion of IIT (BHU), Varanasi.
- k) Penalty for Accidents: In case any accident involving in contract work persons or any violation, reported by any authorized person during the contractual operation in the mines, while performing the contract, the bidder shall be liable to pay the amount of compensation as arrived for.
- l) Suitable extension of time may be granted by the representative of IIT (BHU), Varanasi, on

application due to natural calamities such as Earth Quake, storm or cyclone and delay in supply of department materials without imposing any penalty, but no monetary compensation need be entertained.

- m) The quantity of work shall be measured in the presence of the bidder or his authorized agents and signature taken in the Measurement Book as a token of acceptance.
- n) Any sub-standard work may be wholly or partly rejected as per the decision of the representative of IIT (BHU), Varanasi, the bidder will not be paid for any such unsatisfactory works, besides he is required to redo the work and remove such unsatisfactory works at his own cost from the work site.
- o) Any damage or loss to work resulting from theft, rains, flood, earthquake, fire etc. shall be recovered by the bidder at his own expenses till the job is finally carried out.
- p) The removal and proper re-execution of any work in respect of materials or workmanship, which in the opinion of the representative of IIT (BHU), Varanasi is not in accordance with the specification.
- q) NCL will make arrangement for sufficient supply and storage of water for the work.
- r) Safety appliances & Safety measures: The bidder will be required to provide the following and other necessary ISI Mark safety Appliances/Measures for the workers depending upon the type of work, free of cost.
 - Personal Protection Equipment's (PPE)
 - Barricading of areas
 - Safety Induction Training
 - Safety Supervision & Housekeeping
 - Identification marking of all materials, stacking area, walkways and working area at site.

B. The Bidding Documents

3. Tender Processing Fees

The Tender Processing fees (₹ 590) should be submitted ONLINE as per the details mentioned above. Further, the proof of payment must be uploaded with Technical Bid. The exemption will be applicable as per Govt. of India norms.

4. Content of Bidding Documents

4.1 The service required, bidding procedures and contract terms are prescribed in the bidding documents. In addition to Invitation of Bids, the bidding documents include:

- (a) Instructions for Online Bid Submission
- (b) Instruction to Bidders (ITB);
- (c) General Conditions of Contract (GCC);
- (d) Special Conditions of Contract (SCC)
- (d) Schedule of requirements;
- (e) Tender form (technical bid).
- (f) Tender form (financial bid)

4.2 The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of its bid.

5. Amendment of Bidding Documents

- 5.1** At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment.
- 5.2** All prospective bidders who have received the bidding documents will be notified of the amendment in writing, which will be binding on them.
- 5.3** In order to allow prospective bidders reasonable time within which to take the amendment into account in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids.

C. Preparation of Bids

6. Language of Bid

The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser shall be written in English language.

7. Documents Comprising the Bid

7.1 Techno commercial un-priced bid and priced Bids: The bids are to be submitted in two parts i.e. Techno commercial un-priced bid and priced Bids.

(a) Techno commercial un-priced bid along with Tender Processing Fee (submitted ONLINE in the aforementioned bank account of Institute) as shown in invitation to bids shall be submitted through CPP Portal. If the proof of payment of Tender Processing Fee is not received along with the technical bid, such bid will not be considered. The samples (if required) of all the services shown in the schedule of requirements of each tender should also accompany the techno commercial un- priced bid in a separate sealed envelope.

(b) Priced bid.

7.2 Techno commercial un-priced bid: The Techno commercial un-priced bid prepared by the bidder shall be provided in the following Model Response format:

Model Response format

- (a) Standing of each Bidder Manufacturer/Dealer and past experience in supply of the material (certificates to be enclosed), proof of manufacturing Unit/Dealership along with all the documents required for proving the credentials regarding the fulfilment of essential pre-bid criteria.
- (b) List of other Govt. Departments, Public Sector units and Central Autonomous Bodies for which the bidder is supplying material or having the similar type of contracts and a certificate regarding the satisfactory performance of the contract (In the Annexure III format).
- (c) Copy of the audited balance sheet of the vendor for the previous financial year indicating the turnover in supply of the relevant materials/service.
- (d) Details of Permanent Account Number and latest income tax clearance certificate.
- (e) Details of GST No. along with a copy of certificate to be attached.
- (f) Submission of samples if required, for all services indicated in the schedule of requirements. The details of service proposed to be supplied should be indicated in the format of the schedule of requirements and submitted along with the techno commercial un-priced bid without indicating the pricing components.
- (g) Willingness to execute all orders which are placed to meet emergency requirement on priority basis. The Bidder shall note that standards for workmanship, material and equipment, and references to brand names designated by the Purchaser in the schedule of requirements are intended to be descriptive only and not restrictive.

7.3 Price Bid

The price bid shall comprise the techno commercial bid along with the price component indicating the Unit prices for each and every item indicated in the schedule of requirements (Annexure 1).

- (a) The prices quoted must be net per unit of work as shown in the Schedule. It must include all the charges of carrying out the work at Khadia project NCL for IIT (BHU), Varanasi and should be mentioned clearly.
- (b) The rate must be stated for each work separately both in words and figures. If there is a discrepancy between the price quoted in word and figures the higher price quoted will be treated as final.
- (c) Quoted prices should be firm and inclusive of taxes/duties, freight and forwarding charges, handling charges, loading and unloading charges, and insurance charges etc. However, the prices must be reflected clearly in BoQ format by mentioning basic rate, GST, Freight charges, Any other Taxes/Duties/Levies and exemptions thereon as applicable to IITs.
- (d) The prices once accepted by the Institute shall remain valid till the successful execution of the order and till supplies is fully effected and accepted or 12 months from the date of acceptance of tender whichever is later. The Institute shall not entertain any increase in the rates during the period. However, in the event there is a reduction or increase in Government levy/duties/taxes during the period of execution of the order, the rates shall be suitably adjusted with effect from the date notifying the said reduction or increase in the Government levy/taxes/duty, if any.

8. Bid Prices

8.1 The Bidder shall indicate on the Schedule of requirements (BoQ), the unit prices of the services involved in the site preparation, plantation and maintenance work, it proposes to supply under the Contract and enclose it with the priced bid.

8.2 Prices indicated on the Price Schedule shall be entered separately in the following manner:

- (i) The prices quoted must be net per unit as shown in the schedule of requirements and must include all charges for delivery at the designated stores.
- (ii) Any Indian duties, GST and other taxes which will be payable on the services, if this Contract is awarded;

8.3 Prices quoted by the Bidder shall be fixed during the Bidder's performance of the Contract and not subject to variation on any account.

9. Bid Currencies

Prices shall be quoted in Indian Rupees only.

10. Period of Validity of Bids

10.1 Bids shall remain valid for **180** days after the date of bid opening prescribed by the Purchaser. A bid valid for a shorter period shall be rejected by the Purchaser as non- responsive.

10.2 In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. A Bidder may refuse the request without forfeiting its EMD, if any. A Bidder granting the request will not be required nor permitted to modify the bid.

10.3 Bid evaluation will be based on the bid prices without taking into consideration the above modifications.

D. Submission of Bids

11. The tender has to be submitted ONLINE before the due date. The offers received after the due date and time will not be considered. **No manual bids will be considered.**

12. Deadline for Submission of Bids

12.1 Bids must be received by the Purchaser ONLINE not later than the time and date specified in the Invitation for Bids.

12.2 The Purchaser may, at his discretion, extend this deadline for submission of bids by amending the bid documents in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

13. Late/Delayed Bids

The offers received after the due date and time will not be considered.

14. Modifications and Withdrawal of Bids

14.1 The Bidder may modify or withdraw its bid after the ONLINE bid's submission, as per the provision of CPP Portal.

14.2 No bid may be modified subsequent to the deadline for submission of bids. No documents will be accepted in support of essential pre-bid criteria after the last date of submission of bids.

14.3 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity specified by the Bidder on the bid form.

E. Bid Opening and Evaluation of Bids

15. Opening of Techno commercial un-priced Bids

The purchaser will open all techno commercial un-priced bids in the first instance.

16. Clarification of Bids

16.1 During evaluation of the bids, the purchaser may, at its discretion, ask the Bidder for clarification of its bid. The request for clarification and the response shall be in writing and no change in price or substance of the bid shall be sought, offered or permitted.

16.2 No Bidder shall contact the purchaser on any matter relating to its bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Institute, it should be done in writing.

16.3 Any effort by a Bidder to influence the purchaser in its decisions on bid evaluation, bid comparison or contract award decisions may result in rejection of the Bidder's bid.

17. Evaluation of Techno commercial un-priced Bid

17.1 Prior to the detailed technical evaluation, the purchaser will determine the substantial responsiveness of each bid. A substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Documents without material deviations and meets all the essential pre-bid criteria. If any bidder does not meet the essential pre-bid criteria as laid down in the Instruction to Bidders, then his bid will be summarily rejected. No documents will be accepted in support of essential pre-bid criteria after the last date of submission of bids.

17.2 The purchaser will reject a bid determined as not substantially responsive.

17.3 The bidders may be called for discussion and may be allowed to modify their technical bids to suit the organization's requirement. The idea is to arrive at a threshold level of acceptability above which all the bidders shall be treated on par. Those whose technical specifications do not reach the threshold level of acceptability shall be rejected as technically unsuitable. The price bids of the bidders who finally emerge as technically acceptable shall be opened, evaluated and the contract awarded to the lowest evaluated bidder.

17.4 The bidders short-listed by the purchaser based on meeting the essential pre-bid criteria and detailed evaluation regarding satisfying the technical criteria laid down in this tender document may be called for detailed discussions with a team selected for the purpose, at a specified date, time and venue, if needed.

18. Opening of Priced Bids

18.1 The Purchaser will open the Priced Bids of only those bidders who meet the essential pre-bid criteria and whose techno commercial un-priced bids have been found to be substantially responsive.

18.2 The priced Bids of the technically qualified bidders shall be opened by the tender committee.

19. Evaluation and Comparison of priced Bids

19.1 Arithmetical errors will be rectified on the following basis: If there is a discrepancy between words and figures, whichever is the higher of the two shall be taken as bid price. If the Vendor does not accept the correction of errors, its bid will be rejected

19.2 Bidders shall state their bid price for the payment schedule outlined in the Clause 14 of General Conditions of Contract. Bids will be evaluated on the basis of this base price. Bidders are, however, permitted to state an alternative payment schedule and indicate the reduction in bid price they wish to offer for such alternative payment schedule. The purchaser may consider the alternative payment schedule offered by the selected Bidder but it may not be binding on the purchaser.

19.3 The purchaser, at its option may ask some more bidders to match the rates of the lowest bidder for creating parallel bidders.

19.4 The currency that shall be used for bid evaluation and comparison purposes to convert all bid prices expressed in various currencies into a single currency is: **Indian Rupees**

19.5 The source of exchange rate shall be: **Reserve Bank of India/Any other authentic source.**

19.6 The date for the exchange rate shall be: **Last day for submission of Bids.**

20. Purchasers right to accept any bid and to reject any bid or all bids

The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Purchaser's action.

21. Award Criteria

- i. IIT (BHU) shall award the contract to the technically qualified eligible BIDDER whose bid has been determined as the lowest evaluated commercial bid.
- ii. If more than one BIDDER happens to quote the same lowest price, IIT (BHU) reserves the right to award the contract to more than one BIDDER or any BIDDER.

22. Notification of Award

Prior to the expiration of the period validity, the purchaser will notify the successful Bidder in writing by letter or by fax, to be confirmed in writing by speed post or hand delivered letter, that its bid has been accepted.

23. Factors Affecting the Award of Supply

23.1 The bidder should have its own Contract support facilities. The support facilities should be fully owned and managed by the bidder.

23.2 Conformity with the Request for Bid/Tender required and conditions.

23.3 The assessment based on the response to Model Response Outline.

23.4 The assessment of the capability of the bidder to meet the terms and conditions.

23.5 The bidders must have executed similar orders, for which the bidder is quoting, as indicated in clause 1 for Govt./Semi-Govt./Autonomous Organizations.

23.6 The cost and the discount offered, if any.

24. Fall clause

24.1 The price quoted by the bidder should not be higher than the maximum prevailing price, if any, for the bidder and the same shall not be higher than the price usually charged by the bidders for works

of the same nature, class or description to any other purchaser.

- 24.2** If it is discovered that the bidder has contravened the above condition, then without prejudice to any other action which might be taken against him, it shall be lawful for the purchaser to (a) revise the price at any stage so as to bring it in conformity with sub-clause (i) above, or (b) to terminate the contract and carry out the work at the risk and cost of the bidder and in that event the provisions of of General Conditions of Contract shall, as far as possible, be applicable or recover the loss.

SECTION 3: GENERAL CONDITION OF CONTRACTS

1. Definitions

In this Contract, the following terms shall be interpreted as indicated:

- (a) "The order" means the agreement entered into between the Purchaser and the Bidder including all the attachments and appendices and all documents incorporated as per notification of award.
- (b) "The Contract Price" means the price payable to the Bidder under the Contract for the full and proper performance of its contractual obligations;
- (c) "Services" means raising and maintenance of plantation over Benched OB dump slope in Khadia Project , NCL, and any other incidental services training and other obligations of the bidder covered under the Contract;
- (d) "GCC" means the General Conditions of Contract contained in this section.
- (e) "The Purchaser" means the organization acquiring the services i.e. IIT (BHU), Varanasi.
- (f) "The Purchaser's country" is India.
- (g) "The Bidder" means the individual or firm supplying the Services under this Contract.
- (h) "Day" means calendar day.

2. Application

These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

3. Standards

The services provided under this Contract shall conform to the standards mentioned in the Technical Specifications.

4. Use of Contract Documents and Information

- 4.1** The Bidder shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Bidder in performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
- 4.2** The Bidder shall not, without the Purchaser's prior written consent, make use of any document or information except for purposes of performing the Contract.
- 4.3** Any document, other than the Contract itself, shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Bidder's performance under the Contract if so required by the Purchaser.

5. Submission of the bids.

- 5.1** All bids complete in all respect must be submitted online on or before the Bid Closing date and time as mentioned on Critical Data Sheet. Tenders received without Bid Securing Declaration Form as earnest money etc. shall be rejected.

5.2 Tender documents are available on IIT (BHU) website: www.iitbhu.ac.in/iitnotifications/purchase_enquiries/ or from Central Public Procurement Portal (CPPP) <https://eprocure.gov.in/eprocure/app>.

5.3 Interested bidders may submit their bid through Central Public Procurement Portal (CPPP) <https://eprocure.gov.in/eprocure/app>.

6. Inspections and Tests

- 6.1** The Purchaser or its representative shall have the right to inspect and/or to test the quality of work to confirm their conformity to the Contract specifications at no extra cost to the Purchaser.
- 6.2** The inspections and tests may be conducted on the premises of the Bidder or its subbidder(s), at point of execution of work final destination. If conducted on the premises of the Bidder or its subbidder(s), all reasonable facilities and assistance, including access to drawings and production data shall be furnished to the inspectors at no charge to the Purchaser.
- 6.3** Should any inspected services fail to conform to the specifications, the Purchaser may reject the service and the Bidder shall either do the service or make alterations.

7. Penalty

Subject to GCC Clause 23, if the Bidder fails to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to 1% per week and the maximum deduction is 10% of the contract price of the unperformed Services for each week or part thereof of delay until actual performance. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause 22.

8. Termination for Default

- 8.1 The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Bidder, terminate the Contract in whole or part:
- (a) If the Bidder fails to perform the service within the period(s) specified in the purchase order, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 20; or
 - (b) If the Bidder fails to perform any other obligation(s) under the Contract.
 - (c) If the Bidder, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

For the purpose of this Clause:

“Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

“Fraudulent practice: a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non- competitive levels and to deprive the Borrower of the benefits of free and open competition;”

- 8.2 In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 22.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Services similar to those undelivered, and the Bidder shall be liable to the Purchaser for any excess costs for such similar Services. However, the Bidder shall continue the performance of the Contract to the extent not terminated.

9. Force Majeure

- 9.1 Notwithstanding the provisions of GCC Clauses 20 & 21, the Bidder shall not be liable for imposition of liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an

event of Force Majeure.

9.2 For purposes of this Clause, "Force Majeure" means an event beyond the control of the Bidder and not involving the Bidder's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

9.3 If a Force Majeure situation arises, the Bidder shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Bidder shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

10. Termination for Insolvency

The Purchaser may at any time terminate the Contract by giving written notice to the Bidder, if the Bidder becomes bankrupt or otherwise insolvent. In this event, termination will be without

Compensation to the Bidder provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

11. Termination for Convenience

11.1 The Purchaser, by written notice sent to the Bidder, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Bidder under the Contract is terminated, and the date upon which such termination becomes effective.

12. Resolution of Disputes

12.1 The Purchaser and the bidder shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

12.2 If, after thirty (30) days from the commencement of such informal negotiations, the Purchaser and the Bidder have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms as specified below. These mechanisms may include, but are not limited to, conciliation mediated by a third party, adjudication in an agreed national or international forum, and national or international arbitration.

12.3 In case of Dispute or difference arising between the Purchaser and a bidder relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, 1996 as amended from time to time.

13. Governing Language

The contract shall be written in English language. Subject to GCC Clause 28, English language version of the Contract shall govern its interpretation. All correspondence and other documents pertaining to the Contract which are exchanged by the parties shall be written in the same language.

14. Applicable Law

14.1 The contract shall be governed by the Law of Contract for the time being in force.

14.2 Irrespective of the place of delivery, the place of performance or place of payment under the contract, the contract shall be deemed to have been made at the place from which the acceptance of tender has been issued.

14.3 Jurisdiction of Courts: The courts of the place from where the acceptance of tender has been issued shall alone have jurisdiction to decide any dispute arising out of or in respect of this contract.

14.4 One-month notice will be given by either party for termination of Contract during the tenure of Contract for breach of Clause or otherwise.

15. Taxes and Duties

Bidders shall be entirely responsible for all taxes, duties, license fees, road permits, etc., incurred until performance of the contracted services to the Purchaser.

16. Performance Security:

Successful bidder has to furnish **03%** of the order value as a performance security in the shape of Fixed Deposit Receipt / Bank Guarantee in favor of the Registrar, Indian Institute of Technology (BHU) valid for a period of 60 days beyond the end of all warranty period / obligations (i.e. must valid for 18 months). Fixed Deposit Receipt / Bank Guarantee should be issued from a schedule bank in India.

17. Bidder Integrity

The Bidder is responsible for and obliged to conduct all contracted activities in accordance with the Contract using state of the art methods and economic principles and exercising all means available to achieve the performance specified in the contract.

The Institute Reserves The Right To:

14. Increase or decrease the quantity of the item(s) as per requirement subject to variation of maximum of 50% only, however, provided within the ceiling of the category in which the original order was placed i.e., if it is within 2.5 Lakh category than should not exceed the 2.5 lakh limit and so on.
15. Reject the quotation in absence of not furnishing the documentary evidence in respect of Trade Tax Registration (G.S.T), Income Tax and Trade Tax clearance certificates together with the performance of supplies in various branches/institutions.
16. Reject the quotation in the event of non-furnishing the authentic documentary evidence in respect of Testing reports / Performance report of the concerned Govt. Organization / Institutions about the products being manufactured and marketed. The performance test of the product can be conducted at Institute level also for which charge will have to be borne by the bidders.
17. Reject the supplies already made, if not found up to the mark. Thorough checking may be adopted to test the correctness of the supply. In such an event further action may call to conform or discard the supply.
18. To reject any addition/alteration in respect of local dealerships intimated by the Principals after consideration of the case by the committee appointed by the Institute for the purpose.
19. Cancel this Tender at any point of time without assigning any reason thereof.
20. The Institute also reserves the right to reject the bid of any participated bidder
21. The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Bidder, terminate the Contract in whole or part:
 - (d) If the Bidder fails to execute the aforesaid work within the period(s) specified in the purchase order, or within any extension thereof granted by the Purchaser.
 - (e) If the Bidder fails to perform any other obligation(s) under the Contract.
 - (f) If the Bidder, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
22. To reject any or all the offers without assigning any reasons thereof.
23. All disputes are subject to **“Varanasi Jurisdiction”** only.
24. The decisions of the Institute in all respect shall be final and binding on all.
25. The Institute reserves the right to ask the successful bidder to produce all the original documents

submitted along with the bids for verification at any point of time. During the verification of the document, if it is found that the bidder has concealed/falsified/fabricated any information, the bid and/or purchase order will be cancelled and action including blacklisting will be taken against the bidder as per norms of the Institute.

26. Please ensure that your offer is complete in all respect as no further clarifications shall be sought from you and reaches us within the last date mentioned above. **The Institute shall not be responsible for any delay etc.**

Dr. GSP Singh

Principal Investigator, Department of Mining Engineering

Indian Institute of Technology, (Banaras Hindu University)

SCHEDULE OF REQUIREMENTS**I. TECHNICAL SPECIFICATIONS**

- Site preparation: Sub-benching of the OB dump soil. The plantation is to be done after mulching and sub-benching. Mulching is to be done using locally available paddy stock. The height and width of each sub-bench at the dump slope would be 1m and 1.5 m respectively while the bench slope angle will be 35 degrees.
- The sub-benching will be followed by application of coco-peat, cow-dung, vermi-compost, jeewamrit and rice husk, to facilitate increased root perforation and supporting the growth of plantation in the dump soil.
- Plantation will be done over OB Dump material by adding suitable bio-fertilizer, DAP, Phorate or Themate insecticides to enrich and protect the vital nutrients for plant growth.
- 2500 plant saplings shall be planted in the five demarcated patches (P to T) as shown in Fig.2 by digging pits at a spacing of 2 meter ×2 meter using the group of plant species mentioned in Table 1. The plantation in the outer patches X and Y will be done using munj grass and Rambans. In addition, requisite number of Vetiver and Munj grasses will also be planted @ 4 trillers per sq. feet in between these plant saplings.
- Miyawaki cultivated saplings should be used for OB spoil dump plantation. Miyawaki plantation strategy will be adopted for the plantation on OB dump slope. Six months to twelve months' plant saplings shall be used for plantation works. The saplings brought from nursery will be planted carefully by removing the polythene and cutting the coiled roots, if any, in order to allow fresh roots to come up.
- Any casualty of saplings during transportation, loading & unloading, during & after plantation shall be replaced by the bidder at his/her own cost. After plantation, the soil around the plant should be thrashed firmly, and adequate support be provided to the saplings using appropriate plant stakes.
- Proper maintenance of the plantation is to be ensured for a period of one year. The bidder will ensure timely installation, commissioning & operation of gravity based drip irrigation system for providing irrigation and nutritional support to all the plants to make sure their survival is not less than 90% of the total plantation at the time of handover to IIT (BHU), Varanasi after completion of one-year period of maintenance.
- The bidder should ensure need based nutritional support of the plant during this period. Soil testing will be carried out on monthly basis by the bidder to assess the nutritional requirement of the plants.
- After one month of OB dump plantation, the bidder shall ensure 90% survival rate of the total plantation and Replacement of plants in case of casualty of plants at the bidders cost as & when required. Surprise random visits will be made throughout the maintenance period to ensure 90% of the survival rate of the total plants.
- The bidder will install a solar powered portable station on the plantation site to measures soil moisture, soil temperature, ambient humidity, ambient temperature etc. on real time basis with the capability of data storage on cloud with support of an IoT platform. The application of gravity drip irrigation system will be synchronized with the real time moisture data for optimum irrigation of the plants.
