

Workshop on Sustainable Development Goals (SDGs)

Supported by Virtual Sustainable Development Centre (SDG Centre),
IIT (BHU) Varanasi

The Sustainable Development Goals (**SDGs**) define what a good life means in a changing world balancing people, planet, and progress. They connect today's learning with tomorrow's world, showing that every field of study matters and everyone has a role to play. *So... what role will you play in shaping Earth's future?.*
