IITH has Sunshine which involves students (Buddys) and faculty (Mentors) (one volunteer for every batch and branch), and counsellors, who together identify the students who need support and connect them to the counsellors. Every 2-3 first year UG students are mentored by one faculty member, so that they cope up well. All the hostel wardens (faculty) stay on the campus to attend to any emergency. Student hostel Pod coordinators (each pod consists of 8 students) are identified for the hostel block pods so that there is more interaction between students of each pod. Staff is available on a 24x7 basis in the hostel office to attend to any emergency. All the students have access to the sports facilities, Yoga, NSS and NCC. First year UG students are provided shared accommodation on campus, until they get acclimatized to the new academic environment. On the event of Suicide Prevention Day (10th September 2022), a program 'One More Chance' was conducted to encourage students to share their experiences, with the aim to remove the stigma around suicide and promote hope in the student community by inspiring others. Regular wellness sessions are conducted by eminent speakers in the field of mental health and suicide prevention training is conducted. Students are encouraged to participate in various cultural, sports and scientific/Technical events conducted by the Student Elected Body (Gymkhana) through various clubs. Participation by students in Inter Hostel Sports Meet (MILAN), Techno-Cultural Fest (ELAN & N-Vision), Inter-IIT Cultural Meet, Inter-IIT Sports meet, Inter-IIT Technical meet is encouraged every year. From the year 2022, to encourage personal interaction between students and the respective Hostel Wardens, Hostel celebration (Hostel UTSAV) is organized for every hostel once in a semester. |

Dear Sir,

Please refer to the trailing mail. In this regard, the desired information are as under:

(a) Whether Indian Institutes of Technology had to retract a number of research papers in the last two decades; if so the reasons thereof;

IIT(BHU) did not retract the research paper however the journals had retracted the few papers. The reasons of retractions are communicated to authors only.

(b) Whether this action on the part of IITs has affected on the scientific reputation of the country;

The number of retracted papers of IIT(BHU) is very very small compared to the total number of publications and research contributions.

(c) What are the corrective measures taken in this regard;

The journals have not officially intimated IIT(BHU) about retraction and degree of offence for which retraction has been done.

(d) Whether any advisory has been issued to the authors of the research papers;

The journals have not officially intimated IIT(BHU) about retraction and degree of offence for which retraction has been done.
