Subject: Fwd: Lok Sabha admitted USQ No.3977 dated 28.03.2022 regarding Dropout Rate in Universities/IITs/IIMs

Sir,

The drop out/withdrawn is mainly on account of securing seat in other departments or institutions of students choice or on any personal ground. The Government has taken various steps for the welfare SC/ST students to pursue their higher education in IITs like waiver of tuition fees, grant of national scholarships under Central Sector Scheme, institute scholarships .

Dropout details of Students in IITs:-

Year	SC	ST	OBC
2016	34	25	19
2017	22	7	17
2018	14	10	18
2019	14	9	15
2020	11	4	21

**Agreement for Cooperation
between
Niigata University, JAPAN
and
Indian Institute of Technology (BHU), Varanasi, INDIA**

Niigata University, Japan and Indian Institute of Technology (BHU), Varanasi, India (the "Parties") hereby enter into the following agreement to promote exchange and cooperation in education, research, and other related fields between the two Parties.

1. The Parties shall promote exchange in the following areas based on the principles of equality, mutual benefit, and mutual respect:
 - (1) Exchange of academic and administrative staff
 - (2) Exchange of students
 - (3) Implementation of joint research
 - (4) Holding of lectures and symposiums
 - (5) Exchange of academic information and materials
 - (6) Other matters agreed upon by the Parties
2. In implementing activities based on the preceding paragraph, the Parties may exchange individual memoranda by mutual agreement in terms of each specific co-operative program and activity to be negotiated and agreed upon in writing by authorized officials of the Parties prior to the initiation of the particular program or activity.
3. This Agreement does not impose any financial obligation on the Parties.
4. The Parties shall cooperate together regarding the handling of crisis management accompanying the exchange.
5. This Agreement shall be in effect for five (5) years from the date of signing and may be revised or renewed by agreement of the Parties. This Agreement may be terminated through written notification by either Party one (1) year prior to the desired termination date. In such case the Parties agree to work together to ensure that existing students are not disadvantaged in their curricular studies or research activities.
6. This Agreement is prepared in English in duplicate, both of which are equally authentic.

**Memorandum of Understanding
between
Niigata University, JAPAN
and
Indian Institute of Technology (BHU), Varanasi, INDIA**

Based on the "Agreement for Cooperation between Niigata University, Japan and Indian Institute of Technology (BHU), Varanasi, India (hereafter the "Parties") hereby enter into the following memorandum for the smooth implementation of student exchange in the field of science and engineering.

1. Period of Study of Exchange Students

The period of study of exchange students shall be less than twelve months at the host university.

2. Number of Exchange Students

Each university may exchange a maximum of three (3) research postgraduate students during each academic year. The students will be selected and nominated by the home university. The host university will reserve the right to make final admission decision. The Parties shall endeavor to ensure that an equal number of students are exchanged.

3. Status of Exchange Students

Exchange students shall retain their degree-seeking status at the home university, and shall be non-degree-seeking students at the host university. Exchange students need to consult the academic coordinators at both the home and host universities about their study/research plan during the exchange.

4. Application and Entrance Procedures

- (1) The Parties shall establish procedures for the acceptance of exchange students, and the selection of exchange students shall be based on academic achievement.
- (2) Exchange students shall possess language skills and other academic abilities at or above a certain level to handle the programs at the host university.
- (3) The host university shall have the right not to permit entrance of exchange students who do not meet the host university's entrance requirements.
- (4) The home university shall send dossiers and other necessary materials regarding the selected exchange students to the host university by the designated deadline.

5. Acquisition and Recognition of Credits

The host university shall provide information regarding the academic achievement of exchange students when requested by the home university. The home university shall recognize the credits offered according to its policy on credit transfer.

6. Language Education

The Parties shall offer, as much as possible, training in the language used at the host university to exchange students in light of academic need for such training.

7. Tuition Fees, Etc

The host university shall waive examination fees, entrance fees, and tuition fees for exchange students. Various other fees and all personal expenses shall be borne by exchange students.

8. Housing

The host university shall provide as much support as possible so that exchange students can find inexpensive, quality housing.

9. Support

The host university shall provide support to exchange students in relation to visa acquisition and various

Rajw

10. Usage of University Facilities

Exchange students shall be given the same privileges of university facility usage as degree-seeking students at the host university.

11. Effective period

This memorandum shall be in effect for five (5) years from the date of signing and can be changed or renewed with the concurrence of both universities. This memorandum may be terminated through written notification by either university one (1) year prior to the desired termination date. In such case the universities agree to work together to ensure that existing students are not disadvantaged in their curricular studies or research activities.

This document was prepared in English in duplicate and will be retained by both universities.
