About IIT (BHU)

The Indian Institute of Technology (Banaras Hindu University), Varanasi owes its existence to the far-sighted vision and relentless efforts of the founder of the Banaras Hindu University Bharat Ratna Mahamana Pandit Madan Mohan Malaviya ji. Three engineering and technological institutions were established by Malaviya Ji, viz, the Benaras Engineering College (BENCO) in 1919, the College of Mining and Metallurgy (MINMET) in 1923 and the College of Technology (TECHNO) in 1932, as the constituent units of Banaras Hindu University.

To provide strong integrated educational base, BENCO, MINMET and TECHNO & Pharmaceutical Engineering & Technology established in 1932 were merged to form the Institute of Technology (IT, BHU) in 1968. On June 29, 2012, the Institute of Technology, B.H.U. was converted into Indian Institute of Technology (Banaras Hindu University), Varanasi by an Act of Parliament.

At present, the Institute comprises 15 Departments and three Interdisciplinary Schools that include the newly established Department of Architecture, Planning and Design. Central facilities in the Institute include the recently established Supercomputing Centre, Computing and Information Services (CCIS), Central Instrumentation Facility (CIF), Main Workshop, Shreenivas Deshpande Library, and Industrial Consultancy & Testing Services. Teaching and Learning Cell continues to cover all aspects of pedagogy, course delivery, laboratory projects, assessment, and facilitating online courses. Institute has also started a two-year M.Sc. programs in Physics and Chemistry from the academic session 2019-20.

The Institute offers Ph.D. programmes in 15 departments, M.Tech. programme in 13 streams/specializations, M.Pharm. programme in one stream/specialization, B.Tech. programmes in 10 engineering departments, Dual Degree (B.Tech. and M.Tech.) programmes in 14 engineering departments/schools/science departments, B.Arch. programme in 1 department (Department of Architecture, Planning and Design, established in 2019-20), besides a preparatory course for SC/ST students during the year under report.

The current strength of regular faculty members of the Institute is 294. In addition to this, 14 visiting professors and 45 non-regular faculty members also contribute to the academic activities of the Institute. Furthermore, the number of technical/scientific staff is 241, and the non-technical staff is 164. Faculty and students are actively engaged in frontier research

and mission oriented activities. Institute has been witnessing realization of several significant academic and developmental programmes and new initiatives in all spheres of education and research.

Undergraduate Programmes:

IIT (BHU), Varanasi offers 4-Year B.Tech., 5-Year B. Arch. and 5-Year Dual Degree programmes to the Candidates who got selection through JEE (Advanced) and on the basis of the All India Rank. 2-Year M.Sc. programmes started from the session 2019-20 in the Department of Physics and Chemistry, the candidates were selected through JAM, jointly conducted by the IITs. 2-Year M.Tech./M.Pharm. programmes, candidates got admitted on the basis of GATE/GPAT score. Candidates were also selected for the M.Tech. programme under the Sponsored and Q.I.P. programmes through interviews and/or written tests. Selection for the Ph.D. programmes was done through tests/interviews, the candidates must have qualified the GATE or GPAT or UGC/CSIR-NET.

Courses in the undergraduate programmes:

Programmes	Courses
Bachelor of Technology (B.Tech.)	Ceramic Engineering, Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Electronics Engineering, Mechanical Engineering, Metallurgical Engineering, Mining Engineering and Pharmaceutical Engineering & Technology, B.Pharm & IDD (B.Pharm-M.Pharm/IMD degree prior to 2014-15.
Master of Pharmaceutical Engineering & Technology	Pharmaceutical Engineering & Technology
Bachelor of Architecture, Planning and Design	Architecture, Planning and Design
Dual Degree (B.Tech. and M.Tech.)	Biochemical Engineering with M.Tech. in Biochemical Engineering and Biotechnology, Bioengineering with M.Tech. in Biomedical Technology, Ceramic Engineering, Civil Engineering with M.Tech. in Structural Engineering, Computer Science and Engineering, Electrical Engineering with M.Tech. in Power Electronics, Materials Science and Technology, Mechanical Engineering, Metallurgical Engineering and Mining Engineering, Engineering Physics, Industrial Chemistry, Mathematics, Computer Science and Pharmaceutical Engineering & Technology, B.Pharm & IDD (B.Pharm-M.Pharm/IMD degree prior to 2014-15.

IIT (BHU) follows semester system. An academic year consists of two semesters each of approximately 13 weeks duration. The odd semester begins in the third week of July and ends in the first week of December. The even semester begins in the fourth week of December and ends in the first week of May. Besides these a Summer Term is also included in an academic session. Each theory and laboratory course has certain number of credits assigned to it depending on its lecture, Practical and Tutorial, contact hours in a week. Each course is coordinated by a Coordination Committee, which has full responsibility for teaching the course, holding the periodical and end semester examinations and awarding of grades. A student's performance is measured by the number of credits that he/she has earned and also by the Semester Performance Index (SPI)/Cumulative Performance Index (CPI) earned by him/her for a semester/program.

Postgraduate programmes:

Postgraduate programs include Master of Technology (M.Tech.)/Master of Pharmacy (M.Pharm.) and Ph.D. degrees. Admissions to the M.Tech. programmes are made through the Graduate Aptitude Test in Engineering (GATE) conducted jointly by the IITs and to M.Pharm. programme through the Graduate Pharmacy Aptitude Test (GPAT) conducted by IISc, Bangalore.

Departments:

IIT (BHU) has 18 academic units including 10 Engineering Departments, 3 Science Departments, 3 Interdisciplinary Schools, 01 Department of Humanistic Studies and 01 Department of Architecture, Planning and Design. The academic departments at IIT (BHU) Varanasi are:

- ***Engineering Departments:***

Ceramic Engineering, Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics Engineering, Mechanical Engineering, Metallurgical Engineering, Mining Engineering, Pharmaceutical Engineering & Technology.

- ***Sciences Departments:***

Chemistry, Mathematical Sciences, Physics

- ***Interdisciplinary Schools:***

Biochemical Engineering, Biomedical Engineering, Materials Science and Technology

- ***Humanistic Studies:***

Department of Humanistic Studies

- ***Architecture, Planning and Design:***

Department of Architecture, Planning and Design

The Departments of Metallurgical Engineering, Electronics Engineering, Mining Engineering and Chemical Engineering & Technology have been recognized as Centers of Advanced Studies (CAS) by the University Grants Commission (UGC) of India. The departments are supported under the FIST, SAP and DST schemes of the Government of India.

Facilities

The Institute has well equipped laboratories and workshops, computer facilities in all departments/schools in addition to a Central Computer Centre. In addition to departmental facilities, a Central Instruments Facility consisting of sophisticated instruments is available to support advanced research. The Institute has a Shreenivas Deshpande Library along with many Departmental Libraries. These libraries house more than 200,000 books and subscribe to a large number of scientific and technical journals. Online access of journals is available. All the students are provided with textbook bank facilities where limited number of books is issued to them for full semester.

1. The person seeking information as per provisions of the **Right to Information Act, 2005** may apply on a plain paper giving particulars of information being sought and his/her correct address for communication to the Central Public Information Officer (CPIO) concerned.
2. Separate applications for seeking information on different subjects are required.
3. A request for obtaining information under Section 6(1) shall be accompanied by an application fee of rupees ten by way of cash against proper receipt or by demand draft or bankers cheque or Indian postal order, payable to the Registrar, IIT(BHU).
4. For providing the information under Section 7(1), the fees shall be charged by way of cash against proper receipt or by MICR demand draft or banker's cheque or Indian postal order, drawn in favour of the **Registrar, IIT(BHU)** payable at Varanasi, at the following rates:
 - (a) Rupees two for each page (in A4 or A3 size paper) created or copied;
 - (b) Actual charge or cost price of a copy in larger size paper;
 - (c) Actual cost or price for samples or models;
 - (d) For inspection of records, no fee for the first hour, and a fee of rupees five for each subsequent hour (or fraction thereof).
5. For providing information under Section 7(5), the fee shall be charged by way of cash against proper receipt or by MICR demand draft or banker's cheque or Indian postal order, in favour of the **Registrar, IIT(BHU)** payable at Varanasi at the following rates:
 - (b) For information provided in diskette or floppy rupees fifty per diskette or floppy; and
 - (c) For information provided in printed form at the price fixed for such publication or rupees two per page of photocopy for extracts from the publications.
6. Normal postal charges are not a charge on applicant under the RTI Act. The information may be dispatched to an applicant by a CPIO through Post Office under Postal Certificate. If postal charges are excessive because of the bulk of the information, the application may be informed so that he/she can have the choice of seeking postal delivery or collect the information himself/herself from the concerned CPIO.
7. The fees to be charged under Section 7(1) & 5 and the postage charges, as mentioned above, will be intimated to the applicant concerned and may be paid through cash receipt/demand draft/banker's cheque. However, the period intervening the dispatch of the said intimation and payment of fees shall be excluded for the purpose of calculating the period of supply of information, as provided under Section 7(1) of the RTI Act 2005, of 30 days.

8. The fees charges can be deposited in ***cash in between 10:00 AM to 5:00 PM*** on all working days in the cash section of the Institute or by MICR demand draft or banker's cheque or IPO, drawn in favour of the ***Registrar, IIT(BHU)*** payable at Varanasi, to be submitted to the concerned CPIO or CAPIO along with the application.
