### **Navigating the newspaper**

1. Swipe your finger towards the left to turn the page and spread two fingers on the screen to zoom in for closer reading
2. To read articles in text view rather than in newspaper layout tap on the title of the article
3. To close the publication, tap on the screen (not on an article title) and then use the back arrow in the top left-hand corner to shut the publication down

How to find back copies

## Main Library, IIT (BHU), Varanasi User Guide

Access the last three months of publications - click on the current issue and then on the date bar underneath the image. This will launch a calendar - select the date you wish to look at.

### Search facility

1. To search for topics, open a publication, tap on the screen and tap on the magnifying glass in the top right-hand corner. Choose a previous search or click on Advanced Search NB. The search facility may not be available on phones
2. PressReader will search the last three days publications and display search results on screen. The Advanced Search option will become available on the left-hand side of the screen - click on this to re-run the search using a wider date range
3. Click on Add to My Topics for your search to be run every day and to populate the For You section available from the main menu.

### Bookmarks

You can “bookmark” articles and save them in folders by holding your finger down on the article you want to bookmark and selecting Save to Collection. Add it to a collection you have already created or click on Create New Collection and then Create. Bookmarks are retrieved from the main menu bar

To translate publications & articles

Click on the three vertical circles in the top right corner and select Translate and select the language you'd like the article or publication translated into.

NB. The translate facility may not be available on some phones.

**N.B. If you try to download more than 20 titles in one day it will give you the cost of buying the additional titles. You can stream unlimited titles by switching to reading them at [www.pressreader.com](http://www.pressreader.com)**
