

## **CYBER AWARENESS WEEK, SEPTEMBER 2025**

### **A Hands-On Workshop on Cyber Security Essentials**

**Organized by:** Centre for Computing and Information Services, IIT (BHU), Varanasi

**Dates:** 15-19 September, 2025

**Time:** 9:30 AM - 5:00 PM

**Venue:** ABLT 4, IIT (BHU), Varanasi

### **Why Should You Attend?**

In today's digital world, security is everyone's responsibility. Whether you are a student, researcher, or staff member, you are a target. This workshop is designed to empower you with the knowledge and practical skills to protect yourself and our institute's digital assets from evolving cyber threats.

### **Workshop Highlights: What You Will Learn**

- *The Threat Landscape:* Understand real-world threats like phishing, ransomware, and social engineering.
- *Fortify Your Digital Life:* Best practices for creating strong passwords, securing your social media, and using multi-factor authentication (MFA).
- *Phishing Expedition:* A live demo on how to identify sophisticated phishing emails and avoid scams.
- *Securing Your Data:* Learn about encryption, secure file storage, and safe data disposal.
- *Incident Response:* Know what to do if you suspect your account or device has been compromised.
- *Open Forum:* Get your specific questions answered by our expert panel.

### **Who is it For?**

All Students (Undergraduate, Postgraduate, PhD Scholars)

Faculty & Staff

*No prior technical knowledge is required! This workshop is essential for every digital citizen of our institute.*
