1. About LSRemote:

LSRemote providing fast and secured access of subscribed e-journals, e-books and other e-resources. It facilitates managing of all e-resources of an institute whether subscribed or in-house developed digital repositories. It provides access of resources from anywhere and at any time. Whether inside the campus or from the comfort of your residence or for that matter anywhere in the world.

It searches specifically Library subscribed e-resources which is full-text accessible. It enables users to search seamlessly across a wide range of contentand display the most relevant results first as desired.

LSDiscovery has inbuilt Remote Access (LSRemote) facilities allowing users to access all subscribed e-resources full-text from anywhere and at any time through the LSDiscovery portal.

URL: https://iitbhu.lsdiscovery.in/

Scan the QR Code ----->

"SYSTEMATIC DOWNLOADING OF E-RESOURCES IS PROHIBITED"

2. Who will get access to the LSRemote Access facility?

- > All current Research scholars/students of the Institutions.
- > All Employees of the Institutions.
- Project staff/Project scholar /Visiting faculties.

> Automatically you will be redirected to the **Remote Access homepage**.

5. How to search documents on Remote Access portal?

- LSDiscovery allows you to perform simple as well as combination searches.
- A simple search is a basic search wherein you get your results by typing a single keyword inseconds.
- Whereas combination search allowsyou to do a more complex search thana basic search. It helps you to make your search strategy more comprehensive with the help of Boolean operators: "AND," "OR," and "NOT."
- Once you type the keyword, a suggestion listwill appear. It is a customized list that isdeveloped out of your indexed data.
- > You can search by author, title, subject, publisher, etc.
- > Then click on the **search button**.

6. How to apply filters?

You can use a filter to list the content category of your choice. It will help you torefine your search.

> All: Search from all databases (online and offline)

- Library Collection: Search only Hard-Copies (catalogue) available in the Library
- > E-resources: Search e-journals databases and e-books databases
- Journal Article: Search only e-journals articles
- Digital Repository: Search Institute Digital Repository, which contains mainly Thesis, Dissertation, workshop video classes, research papers, etc.

Users can filter via Recourse type, Content type, Authors, Subjects, Publishers, Journal name, Year wise, etc. Screenshots are given below for more details:

7. How to download/access e-books?

For the e-book search, select the E-Resources tab, then choose the E-books tab again; to download the Full-Text e-book click on the Full-Text tab.

8. How to access research papers?

For article search, select the Journal Article, then click on the Full-Text tab to download/read the Full-Text Article.

Also, users can search through the Browse tab, Print journal, A-Z list, ISBN, conference proceeding, discipline wise, etc.

12. Usage Policy for Authorized Users of Subscribed Electronic Resources of Indian Institute of Technology (BHU), Varanasi.

The Shreenivas Deshpande Library, Indian Institute of Technology (BHU), varanasi, subscribes electronic databases of academic interest to support the academic activities of the Institute students, faculty and staff. These resources are purchased/subscribed by the Institute either directly from the publisher or through consortia. These are also governed by license and contract agreements.

Each electronic resource whether purchased individually or through consortia contains strict guidelines on the use of resources by authorized users.

- Authorized users are individuals who are affiliated to the organization by way of employment or students/scholars of an institution.
- Individuals should use these resources for personal study or research purpose.
- Modification of learning resources available on electronic databases is prohibited.
- Authorized users should not use the articles/documents of these electronic resources for the commercial purpose. Wherever these articles/documents are used due credit of copyright should be given to the source.
- Downloading resources through automatic programs or speed boosters is strictly prohibited.
- Distributing these resources through photocopies, printouts for purposes other than academic interest or sharing one's individual access details is strictly prohibited.
- Mounting or distributing any part of the licensed material on any electronic network, including the Internet and the World Wide Web, other than the Secure Network (a network which is only accessible to "authorized users" whose conduct shall be subjected to regulation by the licensee) is prohibited.
- Individual publishers have their discretion to terminate the license for the use of their resources on violation of any of the above instructions.

13. Application of Indian/International Laws:

Indian Institute of Technology (BHU), Varanasi does not permit the illegal downloading and/or sharing of copyrighted material in any form or manner. Electronic resources are copyrighted and are subject to all applicable copyright and protection rights under the laws of India and other countries. All uses including downloading, printing or creating copies of content from these resources must be consistent with existing fair use laws as defined by the copyright law of India or International law.

14. Policy on Denying Access:

Violators of Indian Institute of Technology (BHU) electronic resource usage policy risk having their library access suspended and access to the resource(s) blocked.
