

Advertisement for the post of Project Fellow under SERB Project

Applications are invited for one post of JRF at a fixed fellowship of Rs. 31000/- plus HRA (16%) for first two years as per rule in the SERB sponsored Project entitled “Development of an inexpensive high-fidelity technique for the prediction of failure capacity of thin shell structures” sanctioned up to 2 years.

Educational Qualification:

-First class in bachelor’s degree and Master’s degree in the discipline concerned or in an allied discipline/area.

-GATE/NET qualification is mandatory.

Desirable qualification:

M. Tech. project in Structural Engineering/Applied Mechanics; proficiency in MATLAB and Python.

Age Limit: 28 Years; Age relaxation applicable as per Government of India (GOI) norms.

Application Procedure: Make a single PDF file (Application on given format with self-attested all relevant mark-sheets & certificates and details of any research, experience certificate, age proof or any other documents) and email to kshitij.civ@iitbhu.ac.in with the subject line “Application for the position of JRF in SERB project” within 21 days of advertisement. No need to send the hard copy. However, candidates need to show the original documents at the time of interview/joining.

Notes:

-The PI has the discretion to restrict the number of candidates to be called for interview to a reasonable limit by qualifications and experience higher than the minimum prescribed in the advertisement.

-Only short listed candidates will be communicated through email to appear for the interview.

- The post is purely temporary and co-terminus with the project.

-No TA/DA will be paid if called for interview.

-The selected candidate may subsequently register for Ph.D. programme at the Department of Civil Engineering, IIT (BHU), if they fulfil the required criteria.
